FADE IN:

EXT. SCHOOL - DAY

BAX High School, made of brown bricks and concrete.

We hear Andre, 15, African American, wears glasses talking to Jake, 15, spiky blond hair as they hang by the school porch.

ANDRE

--Jake! Come on man, you're going  
to break yourself, I mean look at  
you!

CUT TO:

CLOSE UP OF JAKE

Jake is beaten up with purple eye after running into the wall  
countless times.

ANDRE

You've literally ran into the wall  
countless times now, you've got to  
stop man.

PRE-LAP TO:

VARIOUS TIMES JAKE HIT INTO THE WALL

PRE-LAP TO:

CLOSE UP OF JAKE

JAKE

No! Andre, I'm telling you, someone  
is watching us, so we are going to  
break the fourth wall.

ANDRE

(shaking his head)  
We! Are not breaking anything!

JAKE

Ok! Fine, I! Am going to break the  
fourth wall and find out who is at  
the bottom of this.

ANDRE  
More like who is on the other side  
of this.

Jake looks at Andre with sarcasm as he crouches down  
preparing to sprint.

He braces himself and sprints to the wall chanting.

A portal opens in mid-air and Jake jumps in.

Andre is shocked thus his glasses shatter.

INT. PORTAL WORLD

Multi-coloured trails sweep by.

Jake is screaming as he is drawn in at rapid speed.

He travels backwards the 2D animation pipeline, Final  
Composite, Inking, Outlines, Roughs, Storyboard and Script.

FADE TO BLACK.

INT. ANIMATOR'S DESK- CONTINUOUS

A portal opens mid-air and Jake is thrown out, hits the  
screen and lands on the keyboard.

CUT TO:

CLOSE UP OF JAKE

Jake dusts himself and notices a bright light from the back.

He turns around to see what it is and it is a giant screen  
with Andre at the school on it and some other characters.

JAKE  
I knew it!

CUT TO BLACK.

END.
